National Networks / Open Access Plans
"A" Rated Carriers

Short-Term Medical

Limited duration coverage for those in need of a temporary solution. Consider short-term coverage for self employed individuals, those between jobs, or recent college graduates.

- Durations up to 3 years in select states
- Free and unlimited telemedicine
- Prescription drug coverage on select plans
- Copays for physician and specialist office visits
- All provider access and PPO network options
- Next day effective dates offered
- 100% coinsurance on select plans

Supplemental

Latitude plans are designed to provide benefits in the case of an accident or critical illness. These plans can be a good fit for individuals looking out for their health while protecting their assets.

- Includes critical illness, accident, hospital indemnity and AD&D coverage in a single plan
- Cash payment for insured to use as needed for everyday living expenses
- Daily hospital benefits for any covered sickness or injury
- Guaranteed acceptance – no underwriting

Dental / Vision

Coverage for individuals and families looking for benefits to maintain their overall health.

- Eligibility for ages 18-100+ (child dependents accepted)
- No waiting periods for any benefits on select plans
- Next day coverage available
- Routine cleanings paid at 100%
- Orthodontia option available for children under age 19
